Take you heed of  
this: As sure as you  
live, the producers are  
the feeders and cloth-  
ers of the world.

Among freemen  
there should be no  
masters but justice  
and duty and love of  
right and fellowman.

PALESTINE, TEXAS, NOVEMBER 17, 1903.

UNCLE SAM seems to have a  
penchant for hot, tropical coun-  
tries. He seems to think he needs  
them in his business.

Yes, times are a little slow—to  
those merchants who never ad-  
vertise. People with money to  
spend these days are looking for  
bargains through the newspaper  
columns. Fact.

THE Pacific Express company  
requires old employees, who went  
out on a strike, in applying for  
their jobs again, to sign an agree-  
ment to withdraw from the union.  
As a result most of the employees  
are hunting jobs elsewhere.

ALL the railroads of Texas have  
agreed to make a reduced rate on  
cotton seed from Mississippi river  
points in Texas. The rate has  
been materially cut by the roads  
to enable the Texas farmers to se-  
cure cotton seed for early plant-  
ing. This movement was inaugu-  
rated a short time ago by the In-  
ternational and Great Northern,  
and the other roads quickly fol-  
lowed suit. It is contended that  
by forcing cotton to an early fruit  
a good crop can be made,  
notwithstanding the boll weevil.  
The Texas roads intend that the  
farmers shall get the benefit of  
this great reduction.

Two million dollars a day is a  
snug sum for the total receipts  
from the sale of a single country,  
even such a country as the United  
States. That is the figure shown  
by the report of the department  
of commerce and labor, through  
its bureau of statistics, as the val-  
ue of the cotton exported from  
the United States in the month of  
October, 1903. The preliminary  
statement of the bureau for the  
October exports shows the value  
of cotton exported in the month  
of October to be \$60,283,412,  
against \$42,000,000 in October,  
1902, \$46,000,000 in October, 1901,  
and \$60,474,437 in October, 1900.  
The total quantity exported in  
October, 1903, as shown by this  
preliminary statement, was 594-  
540,872 pounds, being an average  
price of 10.1 cents per pound.

## Ladies and Children Invited.

All ladies and children who cannot  
stand the shocking strain of laxative  
syrups, cathartics, etc., are invited to  
try the famous Little Early Risers.  
They are different from all other pills.  
They do not purge the system. Even  
a double dose will not gripe, weaken  
or sicken; many people call them the  
Easy Pill. W. H. Howell, Houston,  
Tex., says nothing better can be used  
for constipation, sick headache, etc.  
Bob Moore, Lafayette, Ind., says all  
others gripe and sicken, while De-  
Witt's Little Early Risers do their  
work well and easy. Sold by Avenue  
Drug Store.

## Saloon Men, Take Notice.

When in want of whiskey bottles  
phone or call on A. C. Opperman or  
Magnolia saloon. Note prices per  
gross, delivered:  
Half pints \$1.60, pints \$2.50, quarts,  
short, \$4.50, full quarts \$5.50 any  
shape. Gallon jugs 7 cents each. 88-11

## Dieting Invites Disease.

To cure dyspepsia or indigestion it  
is no longer necessary to live on milk  
and toast. Starvation produces such  
weakness that the whole system be-  
comes an easy prey to disease. Kodol  
Dyspepsia Cure enables the stomach  
and digestive organs to digest and as-  
similate all of the wholesome food  
that one cares to eat and is a never  
failing cure for indigestion, dyspepsia  
and all stomach troubles. Kodol di-  
gests what you eat—makes the stom-  
ach sweet. Sold by all druggists.

Express wagon given with every  
boy's suit at Wood Bros.
